A Visit to the Farm

I brought Ashton for a ride to the farm and while I was talking with Danyca, the car door was open. I was getting back in the car, and noticed an orange kitten in the back with Ashton. Ashton was so happy, and was repeating the kitten's name, Cinnamon. He also kept saying "Bring kitten home".

It was probably one of the most touching moments of my career.

Aaron is finally living in his own apartment! He moved in almost 4 months ago. Aaron is doing extremely well. He is learning travel skills, budgeting and cooking skills. This was Aaron's first time cooking Sheppard's pie. I must say I am so proud of you Aaron.

Keep up the good work!
It looked delicious!
